

DISCOVERY GETAWAY PACKAGES

Communities offer “packages” that include discounted lodging rates for 2 people, some include lunch or dinner, and many include a free round of golf. They do this to give you an opportunity to visit their Community, take a tour, and get a good feel for what the Community and surrounding area are really like.

Some Communities call them Discovery Packages while others call them Getaway Packages. I even heard them called Experience Packages, when I checked into these for you.

I call it an affordable way to find your Dream Place in the Carolinas!!
